TRANSPORT WORKERS UNION LOCAL 229

DECISION AND CERTIFICATION OF RESULTS OF ELECTION

The National Labor Relations Board has considered objections to a rerun election held July 10, 2014, and the Regional Director's supplemental report recommending disposition of them. The rerun election was conducted pursuant to a Decision, Order, and Direction of Rerun Election issued by the Board on May 30, 2014. The tally of ballots shows 17 ballots cast for and 23 ballots cast against the Petitioner, with 0 void ballots and 0 challenged ballots, an insufficient number to affect the results.

No exceptions have been filed to the Regional Director's supplemental report within the time provided. Accordingly, the Board adopts the Regional Director's findings and recommendations, and finds that a certification of results of election should be issued.

CERTIFICATION OF RESULTS OF ELECTION

IT IS CERTIFIED that a majority of the valid ballots have not been cast for Transport Workers Union Local 229, and that it is not the exclusive collective-bargaining representative of these bargaining unit employees.

Dated, Washington, D.C., August 19, 2014.
